- ▶ **Quick Response, Precise Touch**  
Persona touch screens deliver superior usability and image quality, outperforming traditional brands by over 5x. Widely imitated, never surpassed.
- ▶ **10-point multi-touch**  
Instant and precise touch response, unaffected by dust or water drops.

- Quick Response
- High Touch Accuracy
- Easy to use
- Easy to maintain

▶ **Smooth operation**  
Capacitive touch uses projected capacitive technology. The panel detects changes in capacitance when a finger touches the screen, calculating its position for multi-touch operation.

- ▶ **Gaming & Entertainment Digital Learning**  
Full HD resolution, 178° wide viewing angle, vivid colors.
- ▶ **Tablet-like full-flat design, elegant and modern**  
Flat design without raised bezel; integrated touch keys replace hotkeys for a cleaner, modern look.

- ▶ **Enhanced durability Water-resistant & scratch-proof surface, Stain-resistant**  
Panel reinforced glass hardness 7H, enhancing durability. Waterproof, scratch-resistant, dustproof, oil-resistant, and stain-resistant for easy cleaning and long-lasting use. Ideal for public environments.
